

## Thank You

November 15, 2019

Dear Friend,

For almost 25 years the LET Trust has been dedicated to improving education and training in the field of logistics.

In celebration of our 25th year, the LET Trust is launching a series of campaigns and initiatives designed to "Empower the People that Move the World".

We are asking you as a leader in the corporate world, as a leader in the community, and as someone that relies on logistics every single day of the year, to take a moment and consider sponsoring one of our initiatives.

Your sponsorship not only helps us enhance our mission, it connects you to a valuable community of professionals in Canada and around the world.

And if sponsorship is not possible this year, we invite you to join the list of individuals and organizations that make a charitable donation to support Employment and Training of Logistics Professionals.

Sincerely yours,

Victor Deyglio,

*Trust Administrator*
